Oktoberfest will be a two-day cumulative event that will have a "Quota" objective each day. Each team will begin the tournament with a "quota" goal based on 80% of their combined team handicap. **Team handicap differential can be no greater than 10; if greater than 10, default is 10.** You will receive 5 points for an eagle, 3 points for birdie, 2 points for par and 1 point for bogey. You will count **1 ball** from the team each hole (GROSS SCORE ONLY- just like MGA) After the first day, your Day 2 Quota will be adjusted 50% higher or lower based on your point total compared to your Day 1 quota. If you exceed your Day 1 goal, your quota will go up. If you fall short of your Day 1 quota, your quota will be lower. The best combined score over the two days will be the winner.

Scoring:

Handicaps as of Wednesday October 2nd will be used for the tournament. *A combined h'cap of 0 would be 36 quota. Pro Shop will handle quota adjustments from Friday to Saturday and manage the scoring along with Jake Adams.*

Example: Team Player 1 and 2:

Player 1 H'cap=10 ;Player 2 H'cap= 5 Total H'cap15 - 80% of 15 is 12 divided by 2 players = 6

Day 1 quota 30 points (36 less 6)

Day 1 points scored 38 = +8

Day 2 quota is now 34 points (30+4) 30 + 50% of 8

Day 2 points scored 33 = -1

Final score is +7

(Ties decided using scorecard matching as per USGA guidelines)
